### Eden Abrahams

[www.clearpathexecutivecoaching.com](http://www.clearpathexecutivecoaching.com)

**Clients:** Eden works with leaders to leverage their strengths and address behaviors or skill gaps that are preventing them from reaching their professional and personal goals.

**Description of coaching:** Eden's clients include senior corporate and non-profit executives and entrepreneurs who are looking to perform at an even higher level in their chosen fields. She also helps accomplished individuals make successful mid-life career transitions. Eden is based in New York and works primarily with clients on the East coast, although she is open to the possibility of client engagements in other regions through a combination of travel and telephone contact.

### Jennifer Chow Bevan

[www.jcbcoaching.com](http://www.jcbcoaching.com)

**Clients:** Business professionals ranging from early career professionals and MBA students, to leaders and executives. Jennifer also works with women who are re-entering the workforce or re-defining their careers after a career pause.

**Description of coaching:** I have a passion for helping clients achieve career clarity and focus while they are navigating career explorations, transitions, and ongoing career development. With over 15 years of business experience in a variety of industries, and a Wharton MBA, Jennifer brings a combination of genuine curiosity, intuition, and a results oriented approach to her coaching.

The coaching partnership includes:

- Identifying client's passions, values, motivations, and skills
- Defining a career development plan; creating actionable steps to achieve goals
- Job search strategies
- In-depth interview coaching, including case interviews for management consulting and marketing roles

**Maggie Mistal**

[www.maggiemistal.com](http://www.maggiemistal.com)

**Clients:** I'm best at helping people clarify what they'd love to do and figure out ways to make a great living doing it. Specifically, I help people:

- Uncover their own answers/their own agendas
- Gain confidence in themselves that they can achieve what they want
- Determine what action steps to take to make their ideal a reality
- Stay true to themselves when fears or doubts or distractions appear

**Description of coaching:** For me, being a career coach has always been about helping people through a unique process of Soul search, Research and Job Search. In other words, my coaching is about helping people find their own answers and create a career that matches their unique skills, motivators and passions.

**Contact:**

Tel: (212) 707-8119
